Figure 1 illustrates the data source configuration process across three different interfaces:

- Left Interface (Chart Classification):** A sidebar menu with icons for various chart types. The 'Data Source' icon (represented by a document with a red 'X') is highlighted with a red box.
- Middle Interface (Mobile App):** A mobile application screen showing a 'Configuration' (配置) section. A red box highlights the 'Data Source' icon in the top navigation bar.
- Right Interface (Web Interface):** A web application interface for 'Filter Control' (过滤器控件). A red box highlights the 'Data Source' icon in the bottom navigation bar.
