

```
//  
return (param.value * 100) + "%";  
  
//  
return VSUtils.comdifyValue(param.value);
```

The screenshot shows a configuration panel with the following sections:

- 数据**: Includes a "配置" section with a timestamp of 2021-07-12.
- 样式**: Shows a color swatch set to `rgba(240, 5, 0.97)`.
- 排序**: A green button labeled "增加标记线" (Add Marker Line).
- 过滤**: A timestamp of 2021-07-12.
- 函数**: Includes a "标记线" section with a timestamp of 2021-07-12, containing:
 - A "删除" (Delete) button.
 - A "值" (Value) input field set to `0.38`.
 - A "编辑脚本" (Edit Script) button, which is highlighted with a red box.
- 度量**: A timestamp of 2021-07-12.
- 图形**: A timestamp of 2021-07-12.
- 数据缩放**: A timestamp of 2021-07-12.
- 轴线**: Includes a "标签脚本" section with a timestamp of 2021-07-12, containing:
 - A "编辑脚本" (Edit Script) button, which is highlighted with a red box.
 - "X轴" (X-axis) and "Y轴" (Y-axis) buttons.
- 色块**: Includes a "轴线" section with "X轴" and "Y轴" buttons.
- 标记线**: A section highlighted with a red box, containing:
 - A "删除" (Delete) button.
 - A "值" (Value) input field set to `0.3`.
 - A "编辑脚本" (Edit Script) button.
- 选择项**: Includes a "值" section with a timestamp of 2021-07-12.
- 标题**: Includes a "值脚本" section with a timestamp of 2021-07-12.
- 基本**: Includes a "标签脚本" section with a timestamp of 2021-07-12.
- 边框**: Includes a "标签脚本" section with a timestamp of 2021-07-12.
- 行为**: Includes a "轴线" section with "X轴" and "Y轴" buttons.
- 联动**: Includes a "标记线" section with a timestamp of 2021-07-12, containing:
 - A "删除" (Delete) button.
 - A "值" (Value) input field set to `10000`.
 - A "值脚本" (Value Script) section with a "编辑脚本" (Edit Script) button.
 - A "标签脚本" (Label Script) section with a "编辑脚本" (Edit Script) button.
 - "X轴" and "Y轴" buttons.

编辑脚本

```
i 1 return (param.value * 100) + "%"
```

The code editor shows the script `i 1 return (param.value * 100) + "%"`. The code is highlighted in purple and blue. The background of the code editor has a watermark pattern with the text "admin 2021-07-12" repeated across it.
